## Relay for Life Walk/Run Events

Involving community members in health awareness events is a fun and successful way for CHRs to spread the message of health. The Billings Area, and Navajo Area CHRs will be hosting Relay for Life walk/run events to raise awareness and money to fight all types of cancer.

The Billings Area is holding its fourth annual Relay for Life June 8-9, 2007, five miles south of Lame Deer, Montana. For more information, please contact Barbra Braided Hair or Dawn Malnourie at **406-477-8911** or Rosella Pongah at **406-477-6951**.

August 24-25, 2007 in Crown Point, New Mexico, the Navajo Area is holding their first Relay for Life. For more information, please email Sarah Morlang at [morlang3533@msn.com](mailto:morlang3533@msn.com).

If you are from the Billings or Navajo Area, please enter a team or purchase a luminary. As part of the Relays, luminaries will be lit to honor all of those who have been taken by or have survived cancer. Luminaries can be purchased for \$10 and each team member will need to raise or donate \$100. Proceeds will help benefit the American Cancer Society.
